In the name of Creator

OUR GOD IS ONE - WE ALL ARE ONE

The God Almighty who is the Creator of this whole universe is the same God who is the Creator of all human beings. So the Creator of all human beings is only one. The same God has provided air, water, heat, light and many more those are the essential for the human beings. And He is providing all these things to all people equally but not on the basis of different beliefs. As well as this, to show the methodology of human life, the teachings of God given books also must be equal. Then only it is right. In our country the India, there are three prominent scriptures. Those are being called as Bhagvad Gita, Bible and Qur'an. By the study of these three scriptures we can come to know that God Almighty has revealed a number of his books for the guidance of human beings at everywhere. Of course there may be a dif-

ference of age (time), place and language but the message of all these scriptures must be one and only. Because all these are from only one God.

And He (God) made arrangements of meditation, prayer and service to get mental peace, relaxation, happiness etc., It is well known fact that if the ground (clay/field) is not fertile, the crop does not be good, though the seed and the process of cultivation how far it may be at great.

So, as has been just mentioned in the example, exactly our meditation, rituals, prayers and charities and etc., will become vain and fruitless, when we do not know the real and original God the Creator of all. That's why the lives of great religious personalities are also not in peacefulness. Because without knowing the real God, doing all rituals will become waste and useless. So we should know the real God. By this, we should gain the fruitful result through our rituals and should get mental peace in this worldly life and should get the MOKSHA (freedom from eternal punishment of Hell and gaining the paradise) in that world which comes after our death.

THE VOICE OF INNER SOUL - WHAT IS IT'S SPECIALTY?

The God Almighty, who is the Creator of all, has installed an inner soul in every human being to dis-

criminate the right and wrong. That's why we call it as 'witness of soul' or 'voice of inner soul'. To anything it shows as it is that what it is. This is the specialty of this inner soul.

THE VOICE FROM HEAVEN - WHAT IS IT'S SPECIALITY?

For the peaceful life of human being at here and hereafter, God Almighty was sending His guidance from the beginning of the world. For this purpose He was choosing a good person as His prophet and was sending His message on him. This type of revealed message is called as "the voice from heaven". That means the revealed books upon the prophets and the ordinances in these books are itself being called as the commandments of God Almighty. So let us see the importance of these commandments in the following verses of the scriptures.

Gita

Therefore, let the scriptures be your authority in deciding what ought to be done and what ought not to be done. Having known what is said in the ordinance of the scriptures you should act here -16:24

Bible

And it shall be our righteousness, if we observe to do all

act identity of God Almighty which has been shown through the "voice from Heaven".

THE THEORY OF IDENTIFICATION OF GOD ALMIGHTY (FORMULA- $U^2 I^2 N^N$)

(1) U = Unique = alone/only one

Bhagwad Gita 11:43 In this SLOKA it has been said that 'TVATSAMAH NA ASTI' that means 'there is no an equal unto you' in this movable and immovable Universe'. And said 'APRATIMA' that means 'you are incomparable, unique and not an idol'. This is the witness of Arjuna. According to this sloka, it is clearly understood that God Almighty is unequalled and unexampled being.

Bible

Remember the former things of old: for I am God, and there is none else I am God and there is none like me.

-Isaiah 46:9

Qur'an

"QHUL HU VALLAHU AHAD"

(O Prophet!) Proclaim that Allah is only one -112:1

"LAISA KAMISLIHI SHAI UN"

There is none like unto Him -42:11

these commandments before the Lord our God, as he hath commanded us. -Deuteronomy 6:25

Qur'an

And this is a book which we have revealed as a blessing: So follow it and be righteous, that you may receive mercy.

-6:155

God has sent these scriptures not to only recite for getting virtue but also to follow the doctrines and the comandments. Our welfare lies in following these scriptures those are proposing the theories of guidance for our collective life. So let us come to know the fundamental points to find out the God Almighty in the light of these scriptures.

WHO IS GOD? AND WHAT ARE THE ATTRIBUTES TO FIND OUT HIM?

There are number of things around man. Among these, the creation by God is there and also the creation by man. And everything is having it's own identity. So then, has that God also not having His own identity, who is the creator of this vast Universe? For this question what is the reply of your inner soul? "Yes... That God Almighty also is having His own identity". This is your reply. Now let us see the below mentioned verses to find out the constant and ex-

(2) U = Unborn

Gita

He who knows Me as unborn and beginning less, as the great Lord of the worlds, he among mortals is undeluded and freed from all sins. -10:3

Bible

God is not a man, that he should lie, neither the son of man, that he should repent: hath he said and shall he not do it? or make it good? -Numbers 23:19

Qur'an

"LAM YALID VALAM YOOLAD"

There is no any child to Him and He is also not a child of any one. -112:3

(3) I = Invisible

Gita

Men of poor understanding think of Me, the unmani fest, as having manifestation, not knowing My supreme state-immutable and unsurpassed. -7:24

Bible

Touching the Almighty we cannot find himout: he is excellent in power, and in judgment, and in plenty of justice: he will not afflict. -Job 37:23

And the Father himself, which hath sent me, hath borne witness of me ye have neither heard his voice at any time, nor seen his shape -John 5:37

Whom no man hath seen, nor can see -1Timotic 6:16

Qura'n

**LAA TUDRIKUHL ABSAAR, VAHUVA YUDRIKUL
ABSAAR**

You can't see him, but He sees you all -6:103

(4) I = Immortal

Gita

But beyond this unmanifested, there is yet another unmanifested **Eternal Existence** which does not perish even when all existences perish. -8:20

Bible

I Nebuchadnezzar lifted up mine eyes unto heaven, and mine understanding returned unto me, and I blessed the most High, and I praised and honored him that liveth forever, whose dominion is an everlasting dominion and his kingdom is from generation to generation. -Daniel 4:34

According to these three scriptures, the fundamental attributes of God Almighty are:

This Gita, Bible and Qur'an are proclaiming the main and constant attributes of God Almighty, those are:
❶Unique ❷Unborn ❸Invisible ❹Immortal

Among whom these four attributes are to seem, He alone is God of all people. Now one question comes before us, That- 'are there these four qualities in our deities to whom we are worshipping? For example: Sri Rama, Sri Krishna, Jesus, Marie and Babas and Valis to whom some Muslims are worshipping, all these noble personalities have taken Birth, and they were to seem to the people of their age and finally they have taken rest from this world. So then how can they become Gods? Mean while the voice of inner soul and the voice from heaven these two unanimously proclaims that God Almighty is only one. Then how can be there a number of Gods in this creation?

THE GOD ALMIGHTY IS HAVING A NUMBER OF INCARNATIONS OR A NUMBER OF NAMES?

There is a thought among some people that God Almighty was descending in various human forms in various times, by putting aside His own form. So let us see that "**how far it is true**". Can it be possible

Now unto the king eternal, immortal, invisible, the only wise God, be honour and glory forever and ever. Amen.

-1 Timotic 1:17

Qur'an

KULLU SHAIYIN HAALIKUN ILLA VAJ HAHU

Everything will perish except He alone -Qur'an 28:88

(5) N = Names

His names like:

Gita

■AKSHARA PARA BRAHMA=The great imperishable creator ■SARWESVARUDU=Owner of every thing ■SARVA SRUSHTI KARTA=Creator of every thing ■EESWARUDU=Owner etc.,

Bible:

■SARVA SAKTI GALA DEVUDU=The almighty God ■YEHOWA=Jehovah ■FATHER ■YELI=Praise worthy ■YELOHIM=The only praiseworthy etc.,

Qur'an :

■ALLAH =The praiseworthy ■AR-RAHAMAN=The merciful ■AR-RAHEEM=The gracious ■AR-RAB=The Lord ■AL-MALIK=The owner ■AL-QUAL IQUE=The maker etc.,

that God Almighty who is the creator of this vast universe is taking birth as of a human being? and taking food, and discharging the waste material as we do daily?

Can we expect these weaknesses with God Almighty who is the supreme holy? What is the reply of your inner soul/commonsense? No. not at all. He need not come down to this depravity. This only is the reply of your common sense. Beside this, let us see the reply of the voice from heaven regarding this.

Veda and Gita

"EKAM SAT VIPRAA BAHUDAA VADANTI"

The holy Almighty God is only one. But the Rushis (Noble personalities) were called Him in a number of names.

-Rigved 9:63:5

There are three names for God Almighty. those are OME, TAT, SAT. -17:23

Bible

And God spake unto Moses and said unto him, I am the Lord: And I appeared unto Abraham, unto Isaac, and unto Jacob, by the name of God Almighty, but by my name JEHOVAH was I not known to them -Exodus 6:2-3

Qur'an

Say: "call upon Allah, or call upon Rahman: by whatever name you call upon Him (it is well): for to Him belong the Most Beautiful names. -17:110

According to these scriptural verses God Almighty has been introduced by various attributable names only; but not by various forms.

WHO IS HE, WHO IS HAVING THESE FOUR QUALITIES?

If these Hindu, Muslim and Christian people make a search in their scriptures on the basis of these four qualities (Unique, Unborn, Invisible and Immortal) that who is our real and original God...

Then they will find an existent being, who is being called as 'AKSHARA PARA BRAHMA' In Bhagawad Gita 8:1-3 slokas. 'YEHOWA' in Bible, Exodus 6:2-3 and 'ALLAH' in Quran -17:110

Regarding this God, who is having the above mentioned names, we never heard that He has taken birth, He appeared to people And He died somewhere else. And even another one is there in this universe like Him. Not only in the authorized scriptures, but even in the books of legendary also we can't find the above said description at any where

And as well Sri Krishna was also worshipping God Almighty. we can find it in MAHABHARAT.

In Bible also we can see that Jesus Christ (To whom Christian world worshipping) was also doing prayer to God Almighty in so pleasing manner.

As of all these noble personalities like Sri Rama, Sri Krishna and Jesus- Muhammad also doing prayer to God Almighty by the Arabic name ALLAH. We can find it in the Qur'an.

Gita

Seek refuge in Him alone with all your heart, O Bharata. By His grace you will gain supreme peace and the Eternal Abode. -18:62

Bible

The fear of the Lord is the beginning of wisdom: and the knowledge of the holy is understanding. -Proverbs 9:10

And call no man your father upon the earth: for one is your father, which is in heaven -Matthew 23:9

Qur'an

Allah! There is no God but He, the living, the self subsisting, Eternal. -2:255

about God Almighty. So when it has been asked to a Hindu person that who is your God? Then without any doubt and without any hesitation he would be able to give reply that AKSHARA PARA BRAHMA alone is my God. And when the same question comes before a Christian he should also give the reply that YEHOWA is only my God. And as well a Muslim should answer that ALLAH is only my God.

Note: One should not forget that the God Almighty is the same and only one God is being called as AKSHARA PARA BRAHMA, YEHOWA, ALLAH and by many names in various languages. According to various languages He has got various names. But the existence of God is only one. It is most note worthy.

WHAT SRI RAMA, SRI KRISHNA, JESUS, MUHAMMAD AND OTHERS SAID?

While we are studying the whole RAMAYANA we can find that SRI RAMA was also worshipping a supreme God, who is beyond to him. For example, when he was in the battle field with RAWAN, before using his arrow he was lifting his head towards sky and was praying to God. Then only he was casting the arrow.

The most note worthy point in all these above mentioned verses is - that these noble personalities who are being worshipped as gods - are proclaiming to a supreme being who is beyond to them. Their proclamation is ●People should take refuge in Him. ●People should love Him and should have fear of Him ●People should not call any one as their father (God) except Him. ●And people should not make any one as their praise worthy (deity) except Him.

So one should accept the command of these noble personalities and should worship the unique God according to the 'MODEL' of them.

WHAT ARE THE BENEFITS - LOSSES AT HERE AND HERE-AFTER BY WORSHIPPING AND NOT WORSHIPPING THE GOD ALMIGHTY?

No one can do anything without any desire. While a person doing any kind of a work he wants its result in the form of mental peace, fame and prestige, wealth and properties and a great changing in his life and etc., Not only this, but also he wants the MOKSHA (the kingdom of heaven). When he can't get any one among these, he do not will to do any deed at any circumstance.

According to this so far study of Gita, Bible and Qur'an it has been crystal cleared that God Almighty, who is the Creator of this vast universe is unique and only one. Now every religious person should know the answers for the questions that what is the meaning of worship to God? And what are the benefits by worshipping Him at here and hereafter?

HERE THIS WORLD IS THERE. AND ALSO ANOTHER WORLD IS THERE?

In this world so many persons were there, who were giving troubles to lacks of people and was practicing cheating and making murders in their entire life. But they were enjoyed all kinds of facilities in their life. Later they died. Now one question comes before us that, is there any chance to bring them back to life and give punishment in this world for their deeds? No. Not at all. As well, other some persons were there who did not get an at least happiness in their entire life. But they struggled for the welfare of others and made tremendous benefits for later generations. Then they also died. Now the same question remains that, is there any facility in this world to bring back them to life and felicitate them for their noble services? No. Not at all.

world" though these scriptures belongs to various religious groups and revealed in various times, then how can we reject **"that world"** which will come after this? And besides this, our inner soul also wants **"that world"**?

WHAT IS THE MEANING OF WORSHIP?

One should believe that, the God Almighty alone can do ❶ good (benefit) ❷ Can save from evil (harm) ❸ When good happens, one should thank first of all to Him. ❹ When evil happens, one should be with patience. ❺ One should have hope on Him for getting good. ❻ And should be at far from what He prohibited. ❼ And should do what He permitted ❽ And should do prayer (Meditation) before sun rising and after sun setting both times by PADMASANAM or VAJRAASANAM or prostration. (According to the ordinance of the scripture). Muslim should do prayer (NAMAAZ) at five times a day.

The above mentioned 'Eight deeds' are together being called as 'WORSHIP'. From the first couple of the mankind SHIVA & PARVATHI (according to the Hindu scriptures) ADAM and EVE (according to the

Therefore is there no the necessity of a WORLD where these villains could be punished? And the righteous could be rewarded? What is the reply of your inner soul? Yes... It must occur. This only is the voice of your inner soul. Now let us see the scripture - the voice from heaven - what says about THAT WORLD which comes after this.

Gita

Whatever is sacrificed, given or performed and whatever austerity is practised without sraddha, it is called Asat, O Partha- It is of no account here or here-after. -17:28

Bible

And call no man your father upon the earth: for one is your father, which is in heaven. -Matthew 23:9

Quran

"Our lord! give us good in this world, and good in the here-after, and defend us from the torment of the fire". -2:201

In these three verses there are two equal and main points we can see, That are: One is the life of this present world and another is the life of "that world" which comes after this. When these three scriptures unanimously says about **"this world"** and **"that**

Christianity and Islam) to SRI RAMA, SRI KRISHNA and all Rishis and Hindu noble personalities and Abraham, Isaac, Jacob, Jesus and disciples of Jesus, Muhammad and his disciples, those belong to Christianity and Islam all have practiced this religion only. And this is only 'the worship in ancient religion' which comes from very beginning without interruption.

WHAT ARE THE BENEFITS IN THIS WORLD

WHEN ONE WORSHIPS ONLY THE CREATOR?

A. He will become a wise:

Gita

Of these, the wise man, ever steadfast and devoted to the one, excels: for, supremely dear am I to the wise and he is dear to Me. -7:17

Bible

The fear of the Lord is the beginning of knowledge.

-Proverbs 1:7

Qur'an

There is no god but He: that is the witness of Allah, His angels, and those endued with knowledge, standing firm on justice -3:18

According to the above three verses, those only will become wise among whole mankind who are

worshipping merely the Creator, who is only one. That's why Bhagawad Gita described the knowledge about God as 'RAJA VIDYA' (the top knowledge). In Bible (Proverbs 4:7) it has been said, that **'Gaining the knowledge of God is the main cause for the physical knowledge'**. Now Qur'an also says that the wise people only give witness **"the Creator of this whole universe is only one"**. And another great proof is also there in favour of these verses that all the scientists of this age also have announced that **'there is some power'**.

According to the above mentioned verses, the people who worship only that God, - the Creator of all -, are being taken into account as wise people. When a man thinks that- "how can it possible a well discipline and smooth running in this vast creation? And how can the same process runs in all human beings in the matter of birth, life and death if there are so many Gods? Through these open proofs there is only one supreme authority in this great creation. If there are many gods in this universe, this world would had been smashed at **"so long ago"**.

This type of thought, is exactly a matter of wisdom. That's why God almighty himself says, that recognizing Him is a matter of wisdom.

Anyhow, what should one do to get this great opportunity? The answer of Gita is- one should leave the worship of other than God, and should not ask help from others, and should worship God Almighty only.

Now if we ask this question to Bible, this also gives the same answer by addressing them that those are running blindly behind others than God- **"O people! come towards me, (God)"** and He wants people should come to Him by searching. That means, if one turns towards God almighty that is enough for his remedy of sins.

As well as Gita and Bible, The Holy Qur'an also gives the same message that one should repent for his previous sins, and should believe only one God the Almighty.

So, for the remedy of the sins one should turn towards God Almighty only - it is enough - this is the statement of all the scriptures. But our religious leaders says us to do a number of fake YAGNAAS and YAAGAAS (Baseless and waste actions in the name of religion).

B. Freedom from sins:

Gita

Even if a man of the most sinful conduct worships Me with undeviating devotion, he must be reckoned as righteous, for he has rightly resolved. -9:30

Bible

Come now, and let us reason together, saith the Lord: though your sins be as scarlet they shall be as white as snow; though they be red like crimson, they shall be as wool. -Isiah 1:18

If my people, which are called by my name, shall humble themselves and pray, and seek my face, and turn from their wicked ways then will I hear from heaven, and will forgive their sin and will heal their land. -2 Chronicles 7:14

Qur'an

Unless he repents, believes, and works righteous deeds, for Allah will change the evil of such persons into good, and Allah is oft-forgiving, Most Merciful -25:70

If we search each and every verse of these Gita, Bible and Qur'an, even a big sinner also becomes a great righteous one. And more over, not only their sins be forgiven but also these will be changed into virtues. This is a good news for these sinners.

C. Achievement of peace of mind:

Gita

Having known Me as the Lord of yajnas and asceticisms, as the Ruler of all the worlds, as the Friend of all beings, he attains peace. -5:29

Bible

Peace I leave with you. my peace I give unto you

-John 14:27

To get the peace of mind what should we do?

Bible

But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly -Matthew 6:6

Qur'an

Those who believe, and whose hearts find satisfaction in the remembrance of Allah: for without doubt in the remembrance of Allah do hearts find satisfaction -13:28

From the above verses, we can understand that when a person wants peace of mind, then he should

identify first of all to God Almighty and should accept Him as the Creator of all the creation and should pray Him alone for all his needs and should remember Him always. Then only he can get peace of mind.

D. So many physical (Materialistic) benefits will be achieved:

Gita

To those men who worship Me alone, thinking of no other, who are ever devout, I provide gain and security
-9:22

The meaning of this sloka is, that who is having a continues contact with God Almighty, then He will provide the 'YOGA'. Yoga means 'Joining'. That means, the deficiencies of the devotee will be fulfilled. Because the provider of everything is God Almighty.

And He will see his 'WELFARE' also. Here welfare means 'PROTECTION'. Every man should strive on his own behalf. But the will of God Almighty is also necessary to get anything and be protected, though how much more he may be strived. So one should worship only God Almighty for fulfillment of his struggle for the above two (gaining and protection).

Saying, Ask forgiveness from your Lord; for He is oft forgiving "He will send rain to you in abundance; -71:10-11

So our scriptures Gita, Bible and Qur'an unanimously announcing that when a person worships only one God Almighty then He will fulfil every need of him.

WHO IS HAVING THE POWER OF GIVING THE PROFIT AND LOSS?

Gita

Intellect, wisdom non-delusion, patience, truth, self-restraint, calmness, pleasure, pain, birth, death, fear and fearlessness. Non-Injury, equanimity, contentment, austerity, charity, fame and obloquy these different qualities of biengs arise from Me alone. -10:4-5

I give heat, I withhold and send forth the rain; I am immortality and death; I am being as well as non-being, O Arjuna. -9:19

Bible

See now that I, even I, am he, and there is no god with me; I kill and I make alive; I wound, and I heal; neither is

Bible

And all these blessings shall come on thee, and over take thee, if thou shalt hearken unto the voice of the Lord thy God. Blessed shalt thou be in the city and blessed shalt thou in the Field. Blessed shall be the fruit of thy body and the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep... -Deuteronomy 28:2-13

In the above verses, God Almighty has blessed his devotee in so many aspects. But the coming 14th verse is highly note worthy.

And thou shalt not go aside from any of the words which I command thee this day, to the right hand or to the left, to go after other gods to serve them. -Deuteronomy 28:14

Qura'n

He said "O my people! I am (Muhammad) to you a warner clear and open: "That you should worship Allah, fear Him, and obey me: "So He may forgive you your sins and give you respite for a stated term: For when the term given by Allah is accomplished it cannot be put forward; if you only knew" -71:2-4

there any that can deliver out of my hand.

-Deuteronomy 32:39

The Lord killeth and maketh alive he bringeth down to the grave and bringeth up. The Lord maketh poor, and maketh rich: he bringeth low and lifteth up. -I Samuel 2:6-7

Qur'an

And make not Allah's (name) an excuse in your oaths against doing good, or acting rightly, or making peace between persons; For Allah is one who hears and knows all things. -2:224

Say: "O Allah! Lord of power you give power to whom you please and you strip off power from whom you please: you endue with honor whom you please and you bring low whom you please: in your hand is all good. Verily, over all things you have power. "you cause the night to gain on the day and you cause the day to gain on the night; you bring the living out of the dead, and you bring the dead out of the living; and you give sustenance to whom you please without measure. -3:26-27

It is Allah that gives life and death, and Allah sees well all that you do. -3:156

That it is He who grants laughter and tears; that it is He who grants death and life; that He created in pairs, - male and female.
-53:43-44

In Bhagawad Gita (God Almighty) says...

- Pleasure x Pain ●Birth x Death ●Fear x Fearlessness ●Fame x defame

"These are all comes from me alone".

In Bible YEHOWA (God Almighty) says...

- I give death x I give life ●I make wound x I make quire ●I give benefit x I give loss ●I give lift x I make defeat

"I am the God (YEHOWA) makes all these"

In Qur'an Allah (God Almighty) says:

- Giving death x Giving life ●Giving female child x giving male child ●Giving less wealth x giving more wealth ●Laugh x cry ●Giving the power (ruling) x Snatching the power (ruling)

"All are these in the hands of Allah"

Now a days a big group of religious people blindly striving behind so called gods by having so many hopes/desires that those gods will do so many ben-

-72:4

If any one is having devotional relation with DEVATAS (Angels) or with devotees of God (Noble personalities) or with the Prophets as has to be with God almighty only, then he will be called as a fool and mindless. For this, there are three main reasons. they are mentioned below:

1. These DEVATAS (Angels) or the noble personalities are not OMNIPRESENT. Because they neither can hear nor can see the invoke of their devotees and nor can guess the hearts of those people who are worshipping them.
2. And they (the DEVATAS and Noble persons) are not having even an at least power of helping in a need of a needy. Because they are not "OMNIPOTENT".

efits. And becoming as slaves to a number of so called gods with the fear that they will do any kind of harm. But in fact, this act of hope and fear upon these so called gods is a conjecture only.

That's why our religious scriptures Gita, Bible and Qur'an strongly condemned this kind of actions. For this a strong proof is - the clear proclamation of our scriptures is enough, that these are proclaiming - the perfect authority of this loss and profit is in the hands of the God Almighty only. So, having the hope and fear upon these so called gods is so waste and a act of foolishness. So kindly consider this matter.

ARE THEY IGNORANT, WHO WORSHIP OTHERS BY LEAVING GOD ALMIGHTY ONLY?

Let us see the below mentioned verses of Gita, Bible and Qur'an, where God Almighty blames them that those are worshipping the angels, (Devatas) noble personalities and other creation by having hope and fear on them beside Him.

Gita

But those whose discrimination has been led astray by this or that desire go to other gods, following this or that rite, constrained by their own nature. -7:20

3. And these DEVATAS and Noble personalities even do not know who are worshipping them and what they are asking them. Because they are not "OMNISCIENT".

So, when these DEVATAS (Angels) and noble personalities are unable to do any kind of profit and loss and even either see or hear our prayers, then asking them any kind of help is an act that resembles blowing horn in to the ears of a deaf. That is why God almighty - The supreme and Omni potent - says that those who leave Him and worship others are fools and stupids. According to scientific rules, blaming them as is above not correct?

WHAT ARE THE LOSSES IN THIS WORLD WHEN ONE LEAVES THE ORIGINAL GOD AND WORSHIPS OTHERS WHO ARE NOT GOD?

The losses for a Polytheist:-

1. He cannot be called as a wise but as a fool.
2. No Salvation from sins.
3. No peace of mind.
4. And no fulfillment of desires and etc.,

So, these are the losses for not a Monotheist.

Note: Before one's birth, God Almighty reserves some period of life, Economical status, some talents and abilities to every person of this world. Though he (man) worships Him (God almighty) or not, he receives what has been written in his fate. But he can't get the peace of mind. If a person does not worship God Almighty alone, he will have to face a kind of unknown worries in his life, though he may be rich, a land lord, or an emperor.

WHAT IS THE BENEFIT AT HEREAFTER FOR A MONOTHEIST?

Gita

Doing continually all actions what so ever taking refuge in Me by My grace he reaches the eternal undecaying Abode. -18:56

Bible

And, behold, a certain lawyer stood up, and tempted him, saying, Master what shall I do to inherit eternal life? He said unto him, what is written in the law? how readest thou? And he answering said, thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind: and thy neighbor as thy self. And he said unto him, Thou hast answered right: this do, and thou shalt live. -Luke 10:25-28

Then shall he say also unto them on the left hand, Depart from me ye cursed, into everlasting fire prepared for the devil and his angels: -Matthew 25:41

Qur'an

Do the unbelievers think that they can take My servants as protectors besides Me? Verily we have prepared Hell for the unbelievers for (them) entertainment. -18:102

From the above scriptural statements, it is cleared that people who depart from God Almighty, and worship the 'ANGELS'- those have been nominated by God Almighty for his service - And worship the prophets and noble personalities - those had been sent from God Almighty for the guidance of mankind - and worship any kind of creation, they will be thrown into dangerous Hell, which is their final destination.

WHO IS GOD?

If we ask Gita, Bible and Qur'an:

The answer from these scriptures is - He is ❶ unique (not even double), ❷ unborn, ❸ Invisiable, ❹ Imperishable. And He introduced himself by various 'names'. Like- Sarveswara, Yehowa, Allah and many more but not in various 'forms'.

By worshipping Him alone, 'peace' comes in the hearts of men, 'morality' comes in personalities and 'unity' comes among people. And these scriptures

Qur'an

But those who have faith and work righteousness, they are companions of the garden: there in shall they abide (for ever). -2:82

According to the above verses who worship only that real God, they will get the eternal paradise in that PARALOKA (the world which comes after this worldly life), and will be liberated from all kinds of grief.

WHAT WILL HAPPEN TO THEM WHO ARE LEAVING GOD ALMIGHTY AND WORSHIPPING OTHER THAN GOD?

Andahtama pravishantiya asambhooti mupaasate tatobhuya ivatetamoyaa vu sambutyaagavatah

Those are serving (worshipping) the natural things (air, water, light and etc) they will be entered in to the darkness (Hell). And those are serving (worshipping) the creation (the man made things and idols) they will be thrown in to so more darkness (so dangerous Hell)

-Yajurved 40:9

Bible

Thus saith the Lord; cursed be them that trusteth in man, and maketh flesh his arm and whose heart departeth from the Lord -Jeremia 17:5

are giving 'Good News' to a monotheist that he will get the peace of mind in this world and will be liberated from the punishment of Hell and will get paradise in that life which comes after this. And at the same time these scriptures are giving a warning, that if anyone does not follow His prophets and noble personalities like- Sri Rama, Sri Krishna, Jesus and Muhammad. Instead of that if people worship the Angels, Prophets and noble personalities with a faith that they can give loss and benefit- then he will have to face a number of worries in this life and punishment of Hell in that life.

So let us leave the 'Worship' of these noble personalities but shall **follow** their footsteps. And we shall make Him alone as our deity, the creator of this movable and immovable world. So may God Almighty help us in this great task. TADHAASTU (Amen/ May it be as it is).

And more over this, let us bring our nation on a plat-form by gaining 'unity in diversity' through door to door propagation of this ancient VEDIK system of monotheism. And through this, let us make our nation strong. And by this YAGNA (package) let us bring success in our life and be victorious here and hereafter.
